January 31, 2002 CONTACT: Al Gilson, Public Information Officer (509) 324-6015

WSDOT Construction Activity & Possible Delays/January 31-February 10, 2002

Road Conditions: Motorists should expect winter driving conditions. Vehicles should be equipped with proper tires, carry chains, and emergency equipment. For Washington State Mountain Pass conditions call 1-800-695-7623, extension 1. For road conditions between the Spokane area and Ritzville, Tri-Cities, Colville, Newport, or Pullman call 1-800-695-7623, extension 511.

I-90/Sprague Avenue Interchange (MP 285)- Completed.

HIGH IMPACT!! SR 290-Trent Avenue/Spokane River Bridge (MP 0.4-0.6)-Work is underway on this bridge replacement project between downtown and Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure. **Note:** Sharp Avenue is not being used as the official detour for this project. This is due to the heavy pedestrian traffic at the numerous crosswalks on Sharp associated with Gonzaga University. The speed limit on sharp is also only 25 mph. Motorists are encouraged to use Second and Third Avenues as the east/west detour route for this project.

TRAFFIC REVISION ALERT!! U.S. 395-North Spokane Corridor/Hawthorne to U.S. 2- Work has resumed. Parksmith Road closed to through traffic between Hawthorne Road and Market Street. Motorists should use Hawthorne as an alternate route. Full access to all businesses on Parksmith is open.

I-90/Sullivan Road Interchange (MP 291)- Crews will be installing a sign on the right-hand side of northbound Sullivan Road near the I-90 westbound ramp. Work is scheduled to begin Monday, February 4, although weather conditions could force delay of work to later in the week. Work will be completed within 2-3 days, dependant upon weather conditions. Drivers should expect lane restrictions and possible delays on Sullivan Road from 9:00 a.m. to 4:00 p.m. while work is being completed.
